SPLENDOUR FROM THE LENS

Celebrating Australia is the latest collection of fine-art images from internationally acclaimed lensman Nick Leary (left). Renowned for his fashion and portrait photography, Nick's personal work is a catalogue of what charms and inspires him. Browse the quintessentially Australian images at MCM House or nicklearycollections.com.

The anatomy of style

Wild horses and dashing sources for your review.

SENT ITEMS >>

1 Kyneton-based botanical stylists Prunella have a new calendar of workshops. With their guidance you'll be arranging tableaus fit for a Dutch Master. prunella.com.au

2 Lisa Black's stunning handcrafted jewellery is designed using elements from old pieces. Her environmental design and landscape architecture background lends a fresh approach to combining old and new with a tribal twist. lisablackjewellery.com

3 Adorn your walls with this new collection of traditional Eastern-inspired papers, 'Shoji' in Prussian Blue, 'Morph' in indigo and 'Shoji' in Vermillion. quercusandco.com

4 Daylesford Macedon Ranges Open Studios initiative lets art lovers visit the studios of artists such as sculptor Ashika Ostapkowicz and view his monumental outdoor work, *From Here to Eternity*. First two weekends in November. dmopenstudios.com.au

5 Jo Malone's luxe new 'Peony & Blush Suede' candle with notes of jasmine, red apple and clove will inject a welcome hit of spring fragrance to your abode. jomalone.com

6 Congratulations to style couple, and regular Belle contributors, photographer Tim Street-Porter and interior designer and author Annie Kelly, who will be honoured with the Los Angeles County Museum of Art's prestigious Design Leadership Award at the launch of the LA Antique Art + Design Show in October. losangelesantiqueshow.com

7 Charlotte Coote has launched a range of glamorous plateware in vibrant hues, designed with her late father, interiors legend John Coote. charlottecoote.com.au

8 Watchmakers for 180 years, Jaeger-LeCoultre's embellished classic, the Grande Reverso Lady Ultra Thin Duetto Duo, is a serious head-turner. jaeger-lecoultre.com

9 Aboubakar Fofana is one of a few textile artists using the traditional art of indigo dyeing, which produces shades of incredible intensity. His cushions, throws, shawls and bedcovers will soon be available at Hermon & Hermon. hermonhermon.com.au

10 Landscape guru Paul Bangay's new tome celebrates the beauty of his own garden, Stonefields. The scale and attention to detail are breathtaking. penguin.com.au

11 Indigo is certainly the colour of the moment – inject some of the hot hue into your home entertaining with gorgeous vessels from Simon Johnson, including the geometric 'Pico' round platter from the exclusive Jme Collection. simonjohnson.com

12 Mira Nakashima, the daughter of renowned 20th-century furniture designer George Nakashima, pays homage to her father's work with an exhibition of her new work titled *Nakashima Woodworkers: An Evolving Legacy*, at Philadelphia's Moderne Gallery, September 20–November 2. nakashimawoodworker.com
