49

94 **the edit**

Interior walls were removed and relocated in this house to create a light family home

106 **new direction**

A fashion designer moves into interior design and creates a home with flair

rooms

118 **ladylike luxe**

Pastel colours and fashion trends inspire three quietly pretty and elegant rooms

126 **before & after: entire house palette resolved**

Siblings turn an unremarkable townhouse into a beautiful home, without the rivalry!

BEDOVIN DREAM

For a relaxed, tribal-chic bedroom, pair intricate patterns in **neutral tones** with **natural materials** such as linen and leather for interest and texture. This style works best when things look **effortlessly thrown together** – perfect for those of us who don't have time to make the bed every morning! →
